The Bill Meyer League covers our CYSA-N District VIII (Merced to Galt). Teams play other leagues' top recreational league players. This league is meant as an introduction to competitive play. No competitive registered players are allowed. Practices begin after the Thanksgiving holiday; two league games are played each Saturday from mid-January through early March. Registration fee is \$85.00; any additional fees (sweats, bags) may be covered by sponsors or team fundraising activities. Players will need parental support (rides to practice & games).
