Pleasanton Ca. (February 24, 2016)- Chairman Pete Zopfi and Executive Director Matthew Madeira announce that CalNorth, in accordance with U.S. Soccer guidelines and intent, is implementing the following rules for heading: No heading for players in U15 and below since in U15 there are 12 years old on U15 teams. When a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. However, if a player deliberately heads a ball within their goal area, the indirect free kick by the attacking team should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.
