WELCOME TO MYSA. PLEASE READ THIS "REGISTRATION INFORMATION SHEET" TO BETTER UNDERSTAND AND BE AWARE OF SOME OUR RULES AND HOW THE LEAGUE IS ORGANIZED.

Please take note: NO pets on any MYSA fields!

PHILOSOPHY OF MYSA:

Our purpose is to offer an opportunity for youth to have fun and to learn about the game of soccer by playing it. ALL recreational players are guaranteed to play at least half the game. While the playing is up to the players, having fun is not restricted to them. Coaches, referees, parents, and other family members are also invited to focus on having fun and learning more about soccer! A certain level of competitive spirit is good, but it is everyone's responsibility to keep the focus on learning and having fun.

Over 1,400 players from the Merced area play in MYSA soccer programs. Our rules and procedures are designed to help run this large organization as smoothly as possible. These rules keep everyone focused on our philosophy and keep us in compliance with our parent organizations: California Youth Soccer Association (CYSA), United States Youth Soccer Association (USYSA), and Federacion Internacional de Football Asociacion (FIFA).

- 1) Birth Certificate
- 2) Passport

REFUNDS:

A lot of effort, time, and money are put into operations months before games start. **As with many other local soccer leagues, there is a NO REFUND policy.** The commitment to play is made at time of registration.

TEAM FORMATION:

Players are placed on age-based teams. Team Formation: Age Group Coordinators roster teams balanced to the extent possible by age, experience, and ability. Older aged players are placed on teams by a coach-conducted draft. **NO Special Requests**, other than to play with siblings in same age group. If you are dependent on being placed with a particular child or coach, please consider not registering your child this season. Please accept our apologies and understand that MYSA is a volunteer-managed non-profit organization that does not have the resources to facilitate the growing number of requests each year.

Players are placed in teams according to needs. Coaches cannot Add, Drop, or Transfer players. Only the Age Group Coordinators, overseen by the Recreational Coordinator, may make these changes on a very limited basis.

GAME RULES: All game rules are posted on our website.

SEASON AND GAMES:

- Teams begin practice after the coach meetings in August. The coach will contact each player.
- Games are on Saturdays starting the Saturday after Labor Day for the U6-U12 divisions. The U14/15 – U18 divisions will start mid August, so that their season ends before November 1 when high school soccer season begins.
- Each team is scheduled Saturdays between 8:00 am & 3:30 pm through early November. Occasionally, a team is scheduled to play two games if their division has an odd number of teams.
- Game schedules are posted on the MYSAs website the Tuesday before the first game.
- Games are played at the Youth Sports Complex, Joe Herb Park, Ada Givens Park, Merced College, and Merced High School. Other venues may be added as needed. Teams may play in McSwain and Atwater.
- Jamboree/MYSA Cup weekends are the two weekends after the regular season games. 2-4 games per team are scheduled for the U8 and U10 Jamboree. The MYSA Cup for the older age groups schedules 2-5 games per team depending on number of teams per age bracket. The U-6 Division does not play a Jamboree.

The MYSA CUP (tournament for elders) and Jamboree (u8 & u10 teams) are for those teams and players in good standing only.

COACHES AND PRACTICES:

- Coach Meetings for the various age groups are held during the last week of July and/or first week of August to distribute team rosters. You can expect a call from your team coach soon after. Please do not call the soccer office for team information until after August 15th.
- Teams practice on a number of fields throughout Merced. Each team is assigned a guaranteed spot on half a field on two days Monday/Wednesday or Tuesday/Thursday afternoon/evening.. Many coaches prefer to drop to one practice after games start.

Team practice is a key component of any effective soccer program and parents are encouraged to make a strong commitment to getting their child to and from practice sessions on time.

LEVELS OF COMPETITION:

We have two levels of competition: Recreational and Competitive (Travel Soccer). Merced United F.C. administers the Competitive level of competition. We offer Premier/Competitive Soccer for boys and girls U8 and up.

Recreational teams make up more than 90% of all teams and are newly formed each year. Players on recreation teams are guaranteed to play at least half of each game (a coach can make exceptions under League guidelines). No standings are maintained in all divisions. Competitive teams are selected during open tryouts, and as needed. These are valuable programs for the player U8 and above who is interested in a higher level of development and competition. These teams play other Competitive teams; traveling distance depends on how many Competitive teams other cities field. Teams typically play in 2-3 tournaments each season. Teams are eligible to travel to local, state, national, and international tournaments. Teams are usually already formed by the time Recreational Registrations are held, but if you are interested in playing for MYSA's Merced United F.C., please visit our website www.mercedyouthsoccer.com for coach contact information.

BOARD OF DIRECTORS/VOLUNTEERS:

Our program is governed by a Board of Directors that operate on a volunteer basis only. There is no compensation for their time. Recreational coaches are also volunteers. Our program would not be successful without the help of volunteers.

MANDATORY FUNDRAISING:

Fundraising is an important part of our program which allows us to keep the cost of registration low. If you do not wish to participate in our fundraising, you may "Buy-Out" at the time of registration. Fundraising monies covers the balance of each player's fees and is required to your coach before deadline given to the coach. Playing privileges may be revoked if fundraising money is not turned in.

RETURNED CHECKS:

Checks returned by the bank are the responsibility of the signer. All costs incurred as a result of the returned check(s) are the responsibility of the signer. This includes all bank fees, as well as a \$20.00 processing fee that will cover all administrative costs on behalf of Merced Youth Soccer Association. The total amount owed must be paid in full by cash before the child can participate in further league activities.

PLAYING HALF THE GAME:

Coaches from time to time forget to play all their players half the game or, unfortunately, sometimes deliberately do not play a player at least half the game. Coaches are reminded to play their players equally, as this is a developmental league. Parents are encouraged to ask their coach to make sure their player plays at least half the game, but not tell coaches what position the player should play. If problems arise, please call the soccer office regarding your concern. The Age Group Coordinator will be advised and will make sure the concern is rectified in a manner that benefits the player.
